

**The International Scientific and Practical Conference
“The Mission of the Modern University in the Challenges of Transformation
in a Multipolar World”**

THE FIRST INFORMATION LETTER

Dear Esteemed Colleagues!

We invite you to take part in the International Scientific and Practical Conference “*The Mission of the Modern University in the Challenges of Transformation in a Multipolar World*”, which will be held on February 6, 2025, at Peoples' Friendship University of Russia named after Patrice Lumumba (hereinafter referred to as RUDN University).

The International Conference is timed to the 65th anniversary of the foundation of RUDN University. The purpose of the conference is to create a platform for the exchange of experiences and views on issues:

- Living values needed by higher education in a globalizing world
- Modern trends and transformations in the development of education and research
- Management mechanisms and tools for university development in a multipolar world

Discussion questions:

- The mission of the modern university in an ever-changing world
- Transformation directions of the university model and its place in the modern global network
- Evolutionary and breakthrough educational models
- The problem of living values continuity of universities, their cultural mission in the changing global world
- The response of higher education to global challenges

The program includes three plenary sessions:

- “Main Directions of Science and Education Development: Realities of a Multipolar World”
- “Modern Models of Education: Revolution or Evolution?”
- “Cultural Mission of the University”

The organizing and program committees of the conference include rectors of leading Russian universities, academicians of the Russian Academy of Sciences, and editors of international university rankings. Given the relevance of the topics discussed, more than 800 participants are expected at the conference.

Scientists, lecturers, researchers, trainees, postgraduates, students who conduct research in the field of pedagogy and psychology, as well as heads and staff of scientific and educational institutions are invited to participate in the conference.

Registration form is available via the link:
<https://clck.ru/3Ao82C>

To participate in the conference with a report, please send the topic and the abstract of your presentation to the e-mail of the organizing committee science65@rudn.ru until September 1, 2024. The organizing committee will provide feedback on the possibility of including the report in the programme.

Contact person: Aleksandr Marusin, Head of the Unit of Science & Technology Events, the Research Division (phone number: +7 906 313-70-68, e-mail: marusin_av@pfur.ru).

Conference venue: Peoples' Friendship University of Russia named after Patrice Lumumba (RUDN University), 6 Miklukho-Maklaya St., Moscow, Russian Federation.
