**Federal State Autonomous Educational Institution of Higher Education
PEOPLES' FRIENDSHIP UNIVERSITY OF RUSSIA NAMED AFTER PATRICE
LUMUMBA
RUDN University**

Law Institute

educational division (faculty/institute/academy) as higher education programme developer

COURSE SYLLABUS

History and development of forensic expertise

course title

Recommended by the Didactic Council for the Education Field of:

40.04.01. Law

field of studies / speciality code and title

The course instruction is implemented within the professional education programme of higher education:

Forensic Activity in Law Enforcement

higher education programme profile/specialisation title

2024 г.

1. COURSE GOAL(s)

The main purpose is to introduce students to the knowledge concerning emergence and development of forensic science in Russia, in particular: historical prerequisites for the emergence of the institution of special knowledge in legal proceedings; the main stages in the development of the system of forensic science institutions; the history of the formation of the legal framework for the application of special knowledge in legal proceedings; the genesis of the science of forensic examination.

The tasks of the discipline are to form a student's understanding of the historical development of the legal and organizational and methodological foundations of forensic examination and other forms of application of special knowledge in legal proceedings and to teach the student to operate with the corresponding conceptual apparatus and to navigate the evolution of forensic activity both as a practical activity and as a science.

2. REQUIREMENTS FOR LEARNING OUTCOMES
